1. OVERVIEW

- 1.1 Purpose: Florida Virtual School (FLVS), hereafter referred to as the "district" or "FLVS", is seeking proposals from qualified proposers interested in providing a Learning Management System. The award will be to the most qualified proposer(s) as determined by an evaluation committee. The final award will be based on Board approval.
- 1.2 District Profile: Florida Virtual School® (FLVS®) is a fully accredited, statewide public school district with a 17-year history of successfully educating students. An award-winning, international leader in online learning, FLVS offers more than 140 free courses to Kindergarten–Grade 12 public, private, and homeschool Florida students. FLVS has led the way in providing a rigorous academic program that has passed stringent external reviews by states across the nation. Winner of numerous national and international educational awards, FLVS now trains teachers, administrators, school districts, and states in how to deliver a sound, accountable, and successful online learning experience.

Founded in 1997, FLVS was the country's first, statewide Internet-based public high school. Today, FLVS serves Kindergarten-12 students and provides custom solutions for schools and districts. Since 1997, FLVS students have successfully completed more than 2 million semester enrollments.

FLVS is part of the Florida public education system and serves students in all 67 Florida districts. FLVS also serves students, schools, and districts around the nation through tuition-based instruction, curriculum provision, and training. Enrollment is open to public, private, and home school students. All students work from home or school and all instructors work in a remote environment.

In 2000, the Florida Legislature established FLVS as an independent educational entity with a gubernatorial appointed board. FLVS is the only public school with funding tied directly to student performance.

FLVS Global was established in 2000 as the national and international arm of Florida Virtual School. FLVS Global has proudly served students and provided courseware, training, and expertise to a variety of online and blended learning programs in all 50 states and more than 65 countries. Services include Global School, professional development, course licensing, and custom development for schools, districts, states, and international agencies.

The school is a world leader in e-Learning and the FLVS motto “Any time, any place, any path, any pace”© indicates the school’s flexibility and mission to place the student at the center of all learning.

- 1.3 Project Background: Florida Virtual School (FLVS) is a public school choice providing elementary, middle and high school curriculum to Florida residents. All of our courses are fully online. FLVS (the district) is accredited as a system by Advanced Education, Inc. (AdvancedEd) and various FLVS schools are accredited by SACS CASI (Southern Association of College and Schools Council on Accreditation and School Improvement). Our courses meet the Florida Standards, and all public institutions within Florida must provide Florida families the option to choose FLVS for courses. FLVS Global was created in 2000 Florida State legislative session as the national and international arm of Florida Virtual School (FLVS), the United States’ first statewide, internet based public high school. As a not-for-profit institution, FLVS Global revenues are reinvested in FLVS for research and development, maintaining the highest quality course and products to benefit students and educators worldwide.
 - 1.3.1 FLVS Students: For our fiscal year thus far (July 2014 through March 2015) we have 616,750 enrollments, with approximately 481,000 half-credit enrollments. As of March 15, 2015 we have a total of 316,369 active students. We estimate the growth rate to be flat over the next couple of years with a five to ten percent growth year over year for the next two to five years. At peak usage times of the day, our concurrent usage rate is 13,000 users.
 - 1.3.2 FLVS Full Time is a diploma granting school with standardized state testing that follows a traditional public school schedule and pace.

- 1.3.3 FLVS Part Time does not operate on a fixed calendar. LMS must provide a way to easily manage adding and removing students to/from a teacher's classroom every day for more than a year. The LMS needs the capability of rolling enrollment and a fixed enrollment with a first and last day of semester and school year, to align with the needs of FLVSFT.
- 1.3.4 FLVS Enrollments: Students can enroll in one or multiple courses at a time throughout the year as part of an open and rolling enrollment process. The LMS needs to have the capability of recognizing different school enrollment types, as FLVS Full Time and FLVS Part Time enrollments need to be separated out by the assigned group of teachers for the different programs. This would also include separation for FLVS Global and FLVS Franchises.
- 1.3.5 FLVS Teachers: Currently our instructional staff totals 1,479 and we have a total of 8,785 active classrooms in the system.
- 1.3.6 FLVS Support Staff: Course design and development team, technical support staff, customer services staff, professional development team (to provide training to teachers), instructional leaders, instructional managers, and clients.
- 1.3.7 FLVS System Developers: Integrate FLVS products with the LMS/Content Management System (CMS).
- 1.3.8 FLVS Virtual School Administrator (VSA). The system provides a solution for tracking student performance through monitoring activities in four areas: student performance and data management, student registration and enrollment management, role-based reporting, and communications.
- 1.3.9 FLVS Franchises Program/FLVS Full Time: Are hosted by a third-party content and learning management system hosting company within their sub-domain. They use the same course content and materials as FLVS.
- 1.3.10 FLVS Global School: Hosted by third-party content and learning management system hosting company. FLVS Global School in an open enrollment, tuition based, virtual program designed to meet the educational needs of students, districts, states, and other countries. Teachers and administrators are provided for this program by Florida Virtual School. FLVS Global School operates within FLVS domain and shares FLVS LMS.
- 1.3.11 FLVS Global Services/Clients: FLVS provides content to many other states and partners through our Global services division. The client can either use the same LMS as FLVS uses or a different LMS than FLVS.
- 1.3.12 FLVS Global Services sells packaged special products or pre-enrollment packages of professional development or services such as reporting.

B. DURATION OF CONTRACT

1. **Contract Term.** The Contract between FLVS and the Contractor shall begin and end on the dates specified in FLVS Standard Contract Form unless terminated earlier in accordance with the applicable terms and conditions. This Contract shall not be deemed to create a debt of FLVS for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal.

The initial term of the contract shall be for a <<INSERT NUMBER OF YEARS (SPELLED OUT)>> <<(INSERT NUMBER ONLY)>> year period following Board approval. The initial term of the contract shall be from <<INSERT BEGINNING DATE>> through <<INSERT END DATE>> and the anticipated award date is <<INSERT BOARD APPROVAL DATE>>.

2. **Contract Renewal.** FLVS shall have the option, in its sole discretion, to renew the Contract for additional terms as defined in FLVS Standard Contract Form on a year-to-year basis by giving the Contractor written notice of the renewal decision at least sixty (60) days prior to the expiration of the initial term or renewal term. Renewal will depend upon the best interests of the State, funding, and Contractor's performance. Renewal will be accomplished through the issuance of a Notice of Renewal Amendment. Upon FLVS election, in its sole discretion, to renew any part of this Contract, Contractor shall remain obligated to perform in strict accordance with this Contract unless otherwise agreed by FLVS and the Contractor.

This contract may be renewed for <<INSERT NUMBER OF YEARS (SPELLED OUT)>> <<(INSERT NUMBER ONLY)>> year periods provided all terms and conditions remain unchanged and in full force and effect. This option to renew requires the mutual agreement of both parties. Refusal by either party to exercise this option to renew will require this contract to expire on the original or mutually agreed date.

3. **Contract Extension.** In the event that this Contract shall terminate or be likely to terminate prior to the making of an award for a new contract for the Services, FLVS may, with the written consent of Contractor, extend this Contract for such period as may be necessary to afford the State a continuous supply of the Services.

C. DESCRIPTION OF SERVICES

1. **Specifications in Bidding Documents.** All Services shall be provided in accordance with the specifications contained in the RFX, the terms of the Contract, and as further described in Contractor's Response.
2. **Product Shipment and Delivery.** All products, if any, shall be shipped F.O.B. destination. Destination shall be the location(s) specified in the RFX or any provided Purchase Instrument. The Contractor shall be solely responsible for paying all costs, expenses and charges it incurs in connection with its performance under the Contract.

3. **Delay of Payment Due to Contractor's Failure.** If FLVS in good faith determines that the Contractor has failed to perform or deliver Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Service is performed or delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes FLVS to incur costs, FLVS may deduct the amount of such incurred costs from any amounts payable to Contractor. FLVS authority to deduct such incurred costs shall not in any way affect FLVS authority to terminate the Contract.
4. **Set-Off Against Sums Owed by the Contractor.** In the event that the Contractor owes FLVS and/or the State any sum under the terms of the Contract, pursuant to any judgment, or pursuant to any law, FLVS and/or the State may set off the sum owed against any sum owed by FLVS to the Contractor in FLVS sole discretion.

1. **Immediate Termination.** This Contract will terminate immediately and absolutely if FLVS determines that adequate funds are not appropriated or granted or funds are de-appropriated such that FLVS cannot fulfill its obligations under the Contract, which determination is at FLVS sole discretion and shall be conclusive. Further, FLVS may terminate the Contract for any one or more of the following reasons effective immediately without advance notice:

 - (iii) The Contractor fails to make substantial and timely progress toward performance of the Contract;
 - (iv) The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or FLVS reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
 - (v) The Contractor has failed to comply with applicable federal, state and local laws, rules, ordinances, regulations and orders when performing within the scope of the Contract;
 - (vi) The Contractor has engaged in conduct that has or may expose FLVS or the State to liability, as determined in FLVS sole discretion; or
 - (vii) The Contractor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of FLVS, the State, or a third party.
3. **Notice of Default.** If there is a default event caused by the Contractor, FLVS shall provide written notice to the Contractor requesting that the breach or noncompliance be remedied within the period of time specified in FLVS written notice to the Contractor. If the breach or noncompliance is not remedied within the period of time specified in the written notice, FLVS may:
- (i) Immediately terminate the Contract without additional written notice; and/or
 - (ii) Procure substitute services from another source and charge the difference between the Contract and the substitute contract to the defaulting Contractor; and/or,
 - (iii) Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.
4. **Termination Upon Notice.** Following thirty (30) days' written notice, FLVS may terminate the Contract in whole or in part without the payment of any penalty or incurring any further obligation to the Contractor. Following termination upon notice, the Contractor shall be entitled to compensation, upon submission of invoices and proper proof of claim, for Services provided under the Contract to FLVS up to and including the date of termination.
5. **Termination Due to Change in Law.** FLVS shall have the right to terminate this Contract without penalty by giving thirty (30) days' written notice to the Contractor as a result of any of the following:

Payment will be made only upon submission of invoices and proper proof of the Contractor's claim. This provision in no way limits the remedies available to FLVS under the Contract in the event of termination. The State shall not be liable for any

The private or confidential data shall remain the property of FLVS at all times. Some Services performed for FLVS may require the Contractor to sign a nondisclosure agreement. Contractor understands and agrees that refusal or failure to sign such a nondisclosure agreement, if required, may result in termination of the Contract.

2. **No Dissemination of Confidential Data.** No confidential data collected, maintained, or used in the course of performance of the Contract shall be disseminated except as authorized by law and with the written consent of FLVS, either during the period of the Contract or thereafter. Any data supplied to or created by the Contractor shall be considered the property of FLVS. Subject to approval of the Attorney General of the State of Florida, FLVS shall tender defense of any such action to Contractor upon request by Contractor. Contractor shall not be liable for any award of judgment against FLVS reached by compromise or settlement unless Contractor accepts the compromise or settlement. Contractor shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement shall be binding upon FLVS unless approved by FLVS.

In case any of the Services is in any suit held to constitute infringement and its use is enjoined, Contractor shall, at its option and expense:

- (i) Procure for FLVS the right to continue using the Services;
- (ii) Replace or modify the same so that it becomes non-infringing; or
- (iii) Remove the same and cancel any future charges pertaining thereto.

2. **Warranty – Nonconforming Services and Goods.** All Services and any goods delivered by Contractor to FLVS shall be free from any defects in design, material, or workmanship. If any Services or goods offered by the Contractor are found to be defective in material or workmanship, or do not conform to Contractor's warranty, FLVS shall have the option of returning, repairing, or replacing the defective Services or goods at Contractor's expense. Payment for Services and any goods shall not constitute acceptance. Acceptance by FLVS shall not relieve the Contractor of its warranty or any other obligation under the Contract.

The Contractor represents and warrants that the concepts, materials, goods and Services and FLVS's use of same and the exercise by FLVS of the rights granted by the Contract shall not infringe upon any other work, other than material provided by the Contract to the Contractor to be used as a basis for such materials, or violate the rights of publicity or privacy of, or constitute a libel or slander against, any person, firm or corporation and that the concepts, materials and works will not infringe upon the copyright, trademark, trade name, trade dress patent, literary, dramatic, statutory, common law or any other rights of any person, firm or corporation or other entity. Except as otherwise expressly authorized by FLVS, all materials produced by Contractor personnel in performance of Services, including but not limited to software, charts, graphs, diagrams, video tapes and other project documentation shall be deemed to be work made for hire and shall be the property of the State of Florida.
9. **Industry Standards.** The Contractor represents and expressly warrants that all aspects of the Services provided or used by it shall at a minimum conform to the standards in the Contractor's industry. All persons assigned to perform Services under this Contract shall be qualified to perform such Services. Personnel assigned by Contractor shall have all professional licenses required to perform the Services.
11. **State Security.** FLVS requires that a criminal background investigation be made of any and all Contractor personnel utilized to provide Services to FLVS. The Contractor's employees, agents and subcontractors may be granted access to state computers, hardware, software, programs and/or information technology infrastructure or operations to the extent necessary to carry out the Contractor's responsibilities under the Contract. Such access may be terminated at the sole discretion of FLVS. The Contractor shall perform all necessary repairs or modifications at its sole expense except to any extent that the Contractor and FLVS shall agree to the performance of such repairs by FLVS upon mutually acceptable terms.

L. CONTRACT ADMINISTRATION

1. **Order of Preference.** In the case of any inconsistency or conflict among the specific provisions of FLVS Standard Contract Terms and Conditions (including any amendments accepted by both FLVS and the

Appendix I - Sample Contract

Contractor attached hereto), the RFX (including any subsequent addenda), and the Contractor's Response, any inconsistency or conflict shall be resolved as follows:

- (i) First, by giving preference to the specific provisions of FLVS Standard Contract Terms and Conditions.
 - (ii) Second, by giving preference to the specific provisions of the RFX.
 - (iii) Third, by giving preference to the specific provisions of the Contractor's Response, except that objections or amendments by a Contractor that have not been explicitly accepted by FLVS in writing shall not be included in this Contract and shall be given no weight or consideration.
2. **Intent of References to Bid Documents.** The references to the parties' obligations, which are contained in this document, are intended to supplement or clarify the obligations as stated in the RFX and the Contractor's Response. The failure of the parties to make reference to the terms of the RFX or the Contractor's Response in this document shall not be construed as creating a conflict and will not relieve the Contractor of the contractual obligations imposed by the terms of the RFX and the Contractor's Response. The contractual obligations of FLVS cannot be implied from the Contractor's Response.
3. **Compliance with the Law.** The Contractor, its employees, agents, and subcontractors shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations and orders now or hereafter in effect when performing under the Contract, including without limitation, all laws applicable to the prevention of discrimination in employment and the use of targeted small businesses as subcontractors or contractors. The Contractor, its employees, agents and subcontractors shall also comply with all federal, state and local laws regarding business permits and licenses that may be required to carry out the work performed under the Contract. Contractor and Contractor's personnel shall also comply with all State and FLVS policies and standards in effect during the performance of the Contract, including but not limited to FLVS's policies and standards relating to personnel conduct, security, safety, confidentiality, and ethics. Further, the provisions of O.C.G.A. Section 45-10-20 et seq. have not and must not be violated under the terms of this Contract.
4. **Drug-free Workplace.** The Contractor hereby certifies as follows:
- (i) Contractor will not engage in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of this Contract; and
 - (ii) If Contractor has more than one employee, including Contractor, Contractor shall provide for such employee(s) a drug-free workplace, in accordance with the Florida Drug-free Workplace Act, throughout the duration of this Contract; and
 - (iii) Contractor will secure from any subcontractor hired to work on any job assigned under this Contract the following written certification: "As part of the subcontracting agreement with (Contractor's Name), (Subcontractor's Name) certifies to the contractor that a drug-free workplace will be provided for the subcontractor's employees during the performance of this Contract pursuant to paragraph 7 of subsection (b) of Code Section 50-24-3."

Contractor may be suspended, terminated, or debarred if it is determined that:

- (i) Contractor has made false certification here in above; or
- (ii) Contractor has violated such certification by failure to carry out the requirements of O.C.G.A. Section 50-24-3(b).

Appendix I - Sample Contract

5. **Amendments.** The Contract may be amended in writing from time to time by mutual consent of the parties. If the contract award exceeds the delegated purchasing authority of FLVS, then FLVS must obtain approval of the amendment from the Department of Administrative Services (DOAS). All amendments to the Contract must be in writing and fully executed by duly authorized representatives of FLVS and the Contractor.
6. **Third Party Beneficiaries.** There are no third-party beneficiaries to the Contract. The Contract is intended only to benefit FLVS, and the Contractor.
7. **Choice of Law and Forum.** The laws of the State of Florida shall govern and determine all matters arising out of or in connection with this Contract without regard to the choice of law provisions of State law. In the event any proceeding of a quasi-judicial or judicial nature is commenced in connection with this Contract, such proceeding shall solely be brought in a court or other forum of competent jurisdiction within Orange County, Florida. This provision shall not be construed as waiving any immunity to suit or liability, including without limitation sovereign immunity, which may be available to FLVS.
8. **Parties' Duty to Provide Notice of Intent to Litigate and Right to Demand Mediation.** In addition to any dispute resolution procedures otherwise required under this Contract or any informal negotiations which may occur between FLVS and the Contractor, no civil action with respect to any dispute, claim or controversy arising out of or relating to this Contract may be commenced without first giving fourteen (14) calendar days written notice to FLVS of the claim and the intent to initiate a civil action. At any time prior to the commencement of a civil action, either FLVS or the Contractor may elect to submit the matter for mediation. Either FLVS or the Contractor may exercise the right to submit the matter for mediation by providing the other party with a written demand for mediation setting forth the subject of the dispute. The parties will cooperate with one another in selecting a mediator and in scheduling the mediation proceedings. Venue for the mediation will be in Orlando, Florida; provided, however, that any or all mediation proceedings may be conducted by teleconference with the consent of the mediator. The parties covenant that they will participate in the mediation in good faith.

All offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts and attorneys, and by the mediator or employees of any mediation service, are inadmissible for any purpose (including but not limited to impeachment) in any litigation or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. Inadmissibility notwithstanding, all written documents shall nevertheless be subject to the Florida Public Records Act, Chapter 119, F.S.

No party may commence a civil action with respect to the matters submitted to mediation until after the completion of the initial mediation session, forty-five (45) calendar days after the date of filing the written request for mediation with the mediator or mediation service, or sixty (60) calendar days after the delivery of the written demand for mediation, whichever occurs first. Mediation may continue after the commencement of a civil action, if the parties so desire.

9. **Assignment and Delegation.** The Contract may not be assigned, transferred or conveyed in whole or in part without the prior written consent of FLVS. For the purpose of construing this clause, a transfer of a controlling interest in the Contractor shall be considered an assignment.
10. **Use of Third Parties.** Except as may be expressly agreed to in writing by FLVS, Contractor shall not subcontract, assign, delegate or otherwise permit anyone other than Contractor or Contractor's personnel to perform any of Contractor's obligations under this Contract or any of the work subsequently assigned under this Contract. No subcontract which Contractor enters into with respect to performance of obligations or work assigned under the Contract shall in any way relieve Contractor of any responsibility, obligation or liability under this Contract and for the acts and omissions of all subcontractors, agents, and employees. All restrictions, obligations and responsibilities of the Contractor under the Contract shall also apply to the subcontractors. Any contract with a subcontractor must also

Appendix I - Sample Contract

preserve the rights of FLVS. FLVS shall have the right to request the removal of a subcontractor from the Contract for good cause.

11. **Integration.** The Contract represents the entire agreement between the parties. The parties shall not rely on any representation that may have been made which is not included in the Contract.
12. **Headings or Captions.** The paragraph headings or captions used in the Contract are for identification purposes only and do not limit or construe the contents of the paragraphs.
13. **Not a Joint Venture.** Nothing in the Contract shall be construed as creating or constituting the relationship of a partnership, joint venture, (or other association of any kind or agent and principal relationship) between the parties thereto. Each party shall be deemed to be an independent contractor contracting for the Services and acting toward the mutual benefits expected to be derived here from. Neither Contractor nor any of Contractor's agents, servants, employees, subcontractors or contractors shall become or be deemed to become agents, servants, or employees of FLVS. Contractor shall therefore be responsible for compliance with all laws, rules and regulations involving its employees and any subcontractors, including but not limited to employment of labor, hours of labor, health and safety, working conditions, workers' compensation insurance, and payment of wages. No party has the authority to enter into any contract or create an obligation or liability on behalf of, in the name of, or binding upon another party to the Contract.
14. **Joint and Several Liabilities.** If the Contractor is a joint entity, consisting of more than one individual, partnership, corporation or other business organization, all such entities shall be jointly and severally liable for carrying out the activities and obligations of the Contract, and for any default of activities and obligations.
15. **Supersedes Former Contracts or Agreements.** Unless otherwise specified in the Contract, this Contract supersedes all prior contracts or agreements between FLVS and the Contractor for the Services provided in connection with the Contract.
16. **Waiver.** Except as specifically provided for in a waiver signed by duly authorized representatives of FLVS and the Contractor, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Contract shall not be construed as affecting any subsequent right to require performance or to claim a breach.
17. **Notice.** Any and all notices, designations, consents, offers, acceptances or any other communication provided for herein shall be given in writing by registered or certified mail, return receipt requested, by receipted hand delivery, by Federal Express, courier or other similar and reliable carrier which shall be addressed to the person who signed the Contract on behalf of the party at the address identified in FLVS Standard Contract Form. Each such notice shall be deemed to have been provided:
 - (i) At the time it is actually received; or,
 - (ii) Within one (1) day in the case of overnight hand delivery, courier or Services such as Federal Express with guaranteed next day delivery; or,
 - (iii) Within five (5) days after it is deposited in the U.S. Mail in the case of registered U.S. Mail.

From time to time, the parties may change the name and address of the person designated to receive notice. Such change of the designated person shall be in writing to the other party and as provided herein.

18. **Cumulative Rights.** The various rights, powers, options, elections and remedies of any party provided in the Contract shall be construed as cumulative and not one of them is exclusive of the others or exclusive of any rights, remedies or priorities allowed either party by law, and shall in no way affect or

Appendix I - Sample Contract

impair the right of any party to pursue any other equitable or legal remedy to which any party may be entitled as long as any default remains in any way unremedied, unsatisfied or undischarged.

- 19. Severability.** If any provision of the Contract is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of the Contract. Further, if any provision of the Contract is determined to be unenforceable by virtue of its scope, but may be made enforceable by a limitation of the provision, the provision shall be deemed to be amended to the minimum extent necessary to render it enforceable under the applicable law. Any agreement of FLVS and the Contractor to amend, modify, eliminate, or otherwise change any part of this Contract shall not affect any other part of this Contract, and the remainder of this Contract shall continue to be of full force and effect.
- 20. Time is of the Essence.** Time is of the essence with respect to the performance of the terms of the Contract. Contractor shall ensure that all personnel providing Services to FLVS are responsive to FLVS's requirements and requests in all respects.
- 21. Authorization.** The persons signing this Contract represent and warrant to the other parties that:
- (i) It has the right, power and authority to enter into and perform its obligations under the Contract; and
 - (ii) It has taken all requisite action (corporate, statutory or otherwise) to approve execution, delivery and performance of the Contract and the Contract constitutes a legal, valid and binding obligation upon itself in accordance with its terms.
- 22. Successors in Interest.** All the terms, provisions, and conditions of the Contract shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns and legal representatives.
- 23. Record Retention and Access.** The Contractor shall maintain books, records and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to FLVS throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. Records to be maintained include both financial records and service records. The Contractor shall permit the Auditor of the State of Florida or any authorized representative of the State, and where federal funds are involved, the Comptroller General of the United States, or any other authorized representative of the United States government, to access and examine, audit, excerpt and transcribe any directly pertinent books, documents, papers, electronic or optically stored and created records or other records of the Contractor relating to orders, invoices or payments or any other documentation or materials pertaining to the Contract, wherever such records may be located during normal business hours. The Contractor shall not impose a charge for audit or examination of the Contractor's books and records. If an audit discloses incorrect billings or improprieties, FLVS reserves the right to charge the Contractor for the cost of the audit and appropriate reimbursement. Evidence of criminal conduct will be turned over to the proper authorities.

For valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Contractor agrees to and hereby does assign to FLVS all copyright rights and all other intellectual property rights in all works now existing or later created for FLVS under this Agreement (the "Works") as such rights are defined in any jurisdiction throughout the world. Contractor agrees to execute all documents that may be necessary to confirm FLVS' ownership of the Works, acknowledges that FLVS may use the Works in whatever way and for whatever purpose it chooses, in its sole discretion, and represents and warrants that any third parties who are permitted to contribute to the Works under this Agreement are bound by all of the obligations of this paragraph.

Appendix I - Sample Contract

24. **Solicitation.** The Contractor warrants that no person or selling FLVS (except bona fide employees or selling agents maintained for the purpose of securing business) has been employed or retained to solicit and secure the Contract upon an agreement or understanding for commission, percentage, brokerage or contingency.
25. **Immunity from Liability.** Every person who is a party to the Contract is hereby notified and agrees that FLVS is immune from liability and suit for or from Contractor's and/or subcontractors' activities involving third parties and arising from the Contract.
