

Linda Pellegrini
Board Chair, Florida Virtual School
President, Pellegrini Homes

Linda Pellegrini is a residential home builder in Central Florida. A resident of Florida for 42 years, Linda is a former school teacher who entered the construction industry in 1979. She is President and owner of Pellegrini Home, Inc. and has participated in the development of numerous custom communities in Central Florida.

Mrs. Pellegrini is a graduate of Indiana State University and received a Bachelor of Arts Degree in 1971. She and her husband moved to Orlando, Florida in 1972.

Mrs. Pellegrini is active in the community and professional organizations. She is a past Vice Chairman of the Orange County Code Enforcement Board, past member of the Greater Orlando Chamber of Commerce, and past Board member of Planned Parenthood of Central Florida and member of the Friends of the Mennello Museum of Art. She currently serves on the Board of Trustees for Florida Virtual School.

Pellegrini Homes, Inc. has constructed many custom homes from 1983 to the present, and has focused construction in southwest central Florida and Winter Park.
