

Language Arts

Elementary Language Arts (ELA) courses provide students with a rigorous and comprehensive look at the ELA standards, focusing on foundational reading skills, reading comprehension strategies using a variety of texts, writing, grammar, and speaking/listening skills. Students will be exposed to the five essential components of reading (phonemic awareness, phonics, comprehension, vocabulary, and fluency) through engaging text and interactive learning. Throughout the Language Arts courses, students will explore numerous topics integrated across content areas. Each grade level of the ELA suite will surround student learning with an adventure-filled theme, showing students that learning really is the great adventure.

Kindergarten-Grade 2

Primary students will learn to read and will be given a strong foundation in phonemic awareness and phonics. Students will learn spelling and grammar skills that will support them as they participate in creating informative, narrative, and opinion writing compositions throughout the course.

Grades 3-5

Intermediate students will focus on reading to learn with the incorporation of more complex text and extensive exploration and use of vocabulary in reading and writing. Students will be taught grammar skills which will be implemented into the rigorous writing lessons and complement various topics. Students will participate in informative, narrative, and opinion writing compositions throughout the course.
