***Our Mission is to deliver a high quality, technology-based education that provides the skills and knowledge students need for success.***

**POSITION GENERAL SUMMARY:**

The Senior Manager, Products and Services works within FLVS Global to provide oversight for all customer implementations and professional development. The Senior Manager, Products and Services focuses on increasing customer satisfaction, quality control, scheduling of staff, customer training and orientation, marketing and public relations, custom development, and launch of FLVS Global products and services. The Senior Manager, Products and Services manages all business processes associated with post-sales support and is actively involved in the strategic planning of products and services.

**ESSENTIAL POSITION FUNCTIONS:**

- Manage and oversee quality control of staff that deliver client training, consultative services, product orientation, and virtual leadership training
- Oversee custom development projects, including cost estimation, project scheduling, and project monitoring
- Deliver client training, consultative services, and product orientation
- Responsible for customer satisfaction, which is measured as part of the monthly Balanced Score Card metrics against established goals
- Manage relationships with Channel Partners, including planning and coordinating course demonstrations and completing Requests for Proposal
- Manage, control, direct, and supervise assigned direct reports, including general leadership, planning, organizing, and reviewing
- Meet professional obligations through efficient work habits such as, meeting deadlines, honoring schedules, coordinating resources and meetings in an effective and timely manner, and demonstrate respect for others
- All work responsibilities are subject to having performance goals and/or targets established

*(These essential functions are not to be construed as a complete statement of all duties performed. Employees will be required to perform other job related duties as required.)*

**MINIMUM REQUIREMENTS:****Education/Licensure/Certification:**

- Bachelor's degree with a focus on Business Administration and Marketing, or related field; or equivalent combination of education and relevant experience

**Experience:**

- Five years’ of progressively responsible experience in virtual educational environment with a combination of experience in any of the following areas: consulting, administration, sales and marketing, instruction, or course development

**Knowledge, abilities and skills:**

- Ability to work with and through people to establish goals, objectives, and action plans
- Knowledge and experience working within the education marketplace
- Ability to understand sales support, customer service, and product/service market research
- Knowledgeable in account management and sales support strategies
- Proven experience in executing pre- and post-sales support
- Excellent verbal and written communication skills
- Proven teamwork and interpersonal skills
- Strong organizational skills
