AP Microeconomics (0.5 credit)
AP United States Government and Politics (0.5
credit)
Elective (1 credit)
Elective (1 credit)
Elective (1 credit)

*Although satisfactory completion of two consecutive credits of the same world language are required for four year university entry, it is not a requirement for graduation.

Personal Financial Literacy (.5 elective credit) is required for 9th grade students who began in the 2023-2024 year and beyond who plan to graduate from a Florida public school. This is not required for home ed graduation.

Following these tracks entirely meets General Entrance requirements to any Florida State University or Community College. These tracks also meet Bright Futures FAS & FMS Scholarship Program as well as NCAA eligibility.

If High School credits were earned while in Middle School, the student may be ahead of the above sample High School track. Please speak with your Counselor for further advising and an individualized academic plan.
