October 31, 2024 at 2:00 PM EST	Twitter Ads: search engine marketing (online advertising) through the search engine using keywords.	Twitter, Inc.	November 12, 2024 at 2:00 PM EST

Description: Twitter Advertising reaches an audience of approximately 445 million with a daily audience of approximately 187 million individuals (or 10.7% of the world [teen and adult] population). Twenty-six percent of people spend more time viewing ads on Twitter vs. other leading platforms. The platform offers highly advanced targeting features that support the identification of a narrowed audience to assist with reaching maximized market objectives within a specific time frame. The total not to exceed spend for these services is \$299,000.00 per year.

The description of products or services intended for purchase from a single/sole source is posted in accordance with Florida Administrative Rule 6A-1.012(12)(d) and will remain posted for a period of seven (7) business days. If you believe you have a “like” product or service to offer, submit descriptive literature and detailed technical specifications via mail or email to the attention of the buyer listed above no later than the Posting End Date/Time noted above. Descriptive literature and detailed technical specifications received after this date/time will not be considered.
