It is the responsibility of the Proposer to partner as necessary and assemble the team, skills, assets and other qualifications to meet all requirements in the ITB. The selected Proposer shall assume all contractual responsibilities, obligations and comply with all contract terms and conditions.
- 1.3.2 **Scope of Work:** The scope of work under this contract is in Section 5 of this ITB.

#### 1.3.3 **Contract Structure:**

A brief summary of the expected contract scope under each of these agreements is shown below.

- 1.3.4 **Contract Term:** The term shall be for three (3) years with two (2) optional oneyear renewals as directed by FLVS.
- 1.3.5 **Contract Pricing:** The MSA and SOW(s) shall be based upon the final negotiated prices. Contractors shall provide pricing as required on the proposal price sheet. However, it is anticipated that the review process will be completed in a timely manner. Procurement Services will endeavor to notify in writing all respondents of any unexpected delays as noted above or otherwise determined. Respondents are responsible for meeting all specifications as outlined herein and on the Bid Price Sheet. Failure to comply with these requirements may be cause for Bid rejection or award cancellation.

Any responses that are incomplete or that do not comply with the instructions and /or submittal terms and conditions may be rejected and excluded from further consideration or taken into consideration during the evaluation. Bidder response compliance shall be solely determined by FLVS.
- 2.1.4 **Evaluation of Bids**. After the initial screening by procurement, all bid responses will be sent to the responsible end-user. They will evaluate the offers to make sure they are compliant with the needs of FLVS.
- 2.1.5 **Best Value**. FLVS intends to contract with the lowest priced responsive and responsible Bidder or Bidders whose response is determined by the end user's department and procurement to provide the best value to FLVS.
