1.1. Purpose

Florida Virtual School (“FLVS”) is seeking responses from a Workday Certified Partner to perform a comprehensive analysis and assessment of the organization’s Workday platform to identify areas of improvement and enhancement in workflows, business processes, automation, integrations, security, reporting, and analytics. Once the analysis and assessment are complete, the awarded contractor shall develop a roadmap with input from FLVS key stakeholders to implement those improvements and enhancements.

1.2. About FLVS

Founded in 1997, Florida Virtual School (FLVS) has been leading the way in Kindergarten-12 online education for more than 25 years. FLVS provides a robust, award-winning curriculum to public, private, charter, and homeschool families and school districts nationwide. FLVS offers a variety of educational products and services to B2B and B2C audiences, including: K-12 Online Schools, Teacher Training and Professional Development, Digital Curriculum (190+ Courses), Tech Solutions and Platforms. Additional information about FLVS can be found on <https://www.flexpointeducation.com/> (National Products and Services) and www.flvs.net (Florida Services).

FLVS directly serves students through three models. FLVS Flex which offers scheduling on a 365-day flexible calendar. Students can take FLVS courses when enrolled in addition to a brick-and-mortar school, or a full-time course load when enrolled as a homeschool student. FLVS Full Time Public Schools offer scheduling that is available to students in grades Kindergarten–12. Students follow a 180-day traditional school calendar, take all courses through FLVS Full Time, and graduate with an FLVS diploma. FLVS is the operating education service provider for the Florida Scholars Academy, a unified education system for students assigned to a Florida Department of Juvenile Justice residential commitment program. Across these three programs, FLVS serves over 250,000 students a year.

1.3. Contract Scope, Structure, Terms, and Pricing

1.3.1. Contract Services, Structure, Term, Sequence and Pricing: FLVS shall enter into a “single contract” with a “single prime Proposer”, or multiple proposers as deemed to be in FLVS’s best interest for all services as described under this RFP. It is the responsibility of the Proposer to partner as necessary and assemble the team, skills, assets and other qualifications to meet all requirements in the RFP. The selected Proposer shall assume all contractual responsibilities, obligations and comply with all contract terms and conditions.

1.3.2. Scope of Work: The scope of work under this contract is in Section 5 of this RFP.

1.3.3 Contract Structure:

FLVS shall contract the services described herein under a single contract. The single contract, however, shall be packaged into one Master Service Agreement (“MSA”) with an associated Scope of Work (SOW). A separate SOW shall be issued for all services to be provided. A brief summary of the expected contract scope under each of these agreements is shown below.

1.3.4 Contract Term: The term shall be for Three (3) years with Two (2) optional one-year renewals as directed by FLVS.

1.3.5 Contract Pricing: The MSA and SOW(s) shall be based upon the final negotiated prices. Contractors shall provide pricing as required on the proposal price sheet. Alternate price structures may be submitted in addition to the pricing requested. FLVS reserves the right to reject proposals that do not comply with the information requested on the proposal price sheet.

2. EVALUATION OF RESPONSES

Every response shall be reviewed/evaluated in terms of its conformance to the RFP specifications. FLVS shall generally follow the process outlined below. In doing so, FLVS at its will, reserves, at a minimum, the following rights:

- a. All responses properly completed and submitted shall be accepted by FLVS. However, FLVS reserves the right to reject any or all responses, reject any response that does not meet all mandatory requirements, or cancel this RFP according to its best interest.
- b. FLVS also reserves the right to waive minor irregularities in responses if that action is in the best interest of FLVS. If the Proposer is awarded the contract, such a waiver shall in no way modify the requirements stated in this RFP or excuse the Proposer from full compliance with the specifications stated in this RFP or resulting contract.
- c. FLVS reserves the right, before awarding the contract, to require Proposer to submit additional evidence of qualifications or any other information FLVS may deem necessary.
- d. FLVS shall not be under any requirement to complete the evaluation or negotiations by any specific date and reserves the right to suspend or postpone the evaluation or negotiation process should the need arise due to budget constraints, time constraints or other factors as directed by FLVS.
- e. The award shall be made to the Proposer that best meets FLVS needs.
- f. FLVS reserves the right to request clarifications at any time throughout the evaluation and negotiation process.
- g. There will be no interim briefing regarding the status of a particular response until the evaluation of all responses is complete.

2.1. Proposal Evaluation Committee (PEC)

Responses shall be reviewed and evaluated by the PEC as described herein.

- 2.1.2 The PEC committee shall consist of FLVS staff members who are voting members, non-voting subject matter experts (SMEs) and at FLVS's discretion, non FLVS staff. The voting members of the PEC shall convene, review, evaluate and rank all valid responses submitted based on the evaluation criteria. Non-voting member(s) responsibilities include reviewing the proposals, testing in demo environments where applicable, and providing subject matter expertise.
- 2.1.2 The PEC, at its sole discretion may waive the requirement to have demonstrations or interviews and may determine an award based on the evaluation criteria listed in the Table in Section 2.6.1.
- 2.1.3 The PEC reserves the right to interview any, all or none of the Proposers that responded to the RFP and to require at the discretion of FLVS formal presentations with the key personnel who shall administer and be assigned to work on behalf of the contract before recommendation of award.
- 2.1.4 The PEC reserves the right to conduct site visits of a Proposer's facilities and/or of a current project they are managing.
- 2.1.5 FLVS reserves the right to request login access to a test environment or other simulation of proposed solution for evaluation purposes.

2.2 Public Notices. FLVS Public notices shall be posted on Bonfire: <https://flvs.bonfirehub.com/> and Florida Virtual School Procurement Opportunities: <https://www.flvs.net/about/procurement>

2.3 Reply Opening

All submissions will be opened by FLVS Procurement via Zoom Conference as per the cover sheet. The list of responses received shall be made available within 48 hours following the opening as described in 2.2 Public Notices.

2.4 Responsiveness to Submittal Requirements

A preliminary evaluation by FLVS Procurement Services shall determine whether each received response is complete and compliant with the minimum qualifications and all other instructions and/or submittal requirements in the RFP. Section 3.1 Compliance will be reviewed by the Procurement Department and reported to committee during the evaluation session. Any responses that are incomplete or that do not comply with the instructions and /or submittal terms and conditions may be rejected and excluded from further consideration. Responses which are compliant as determined solely by FLVS, are moved to the evaluation stage.

2.5 Proposal Evaluation

2.5.1 Step 1: Evaluation

Proposals will be evaluated and scored by a PEC approved by the Procurement Director. Using the evaluation criteria specified below, the PEC will evaluate and score responsive replies and, at the sole discretion of the PEC, may proceed to oral presentations with one or more respondent(s) selected.

FLVS shall evaluate each written response based on the evaluation criteria listed in Section 2.6.1, using a 0-10 rating system multiplied by the weights assigned. This meeting shall be open to the public via the zoom link provided on the cover page.

Step 1a: The response evaluation committee members will discuss all contractor responses, and each evaluation committee member will score the responses individually.

Step 1b: Procurement will combine the evaluation scores submitted by all PEC members and shall determine the highest scoring responses based on the total evaluation scores received. FLVS reserves the right to determine the cutoff score and the number of responses that may advance to Step 2. Step 2 is optional at the sole discretion of FLVS. If FLVS determines that Step 2 is not required, award recommendation will be made based on the scores from Step 1.

2.5.2 **Step 2 (optional): Presentation and/or Interview**

Finalists shall be notified by FLVS Procurement to appear in-person or via Zoom meeting at the discretion of FLVS, in no particular order, for a presentation and/or an interview of their response and detailed discussion of the elements of their response. Only the scoring session shall be a public meeting. Step 2 evaluation is a “fresh evaluation” with scores from step 1 not carried forward.

- a. Procurement Services will assign the date and venue for the demonstrations and/or oral presentations based upon a random drawing of the responses advanced to Step 2;
- b. The PEC may require the finalists to furnish additional information or respond to questions and/or clarifications prior to or at the oral demonstration/interview;
- c. FLVS may require finalists to provide login or access for testing systems if applicable as directed;
- d. FLVS reserves the right to invite additional subject matter experts from FLVS and/or its representatives to attend oral demonstrations/presentations;
- e. Following the oral demonstrations/oral presentations, FLVS may require finalists to furnish additional information or respond to questions and/or clarifications that might be needed to finalize the PEC scoring. May require additional public meeting(s).
- f. Using the evaluation criteria in Section 2.6.2, each member of the PEC will separately score each respondent’s demonstration/oral presentation using a 0-10 rating system multiplied by the weights assigned.
- g. The procurement representative will combine the evaluation scores submitted by all PEC members for this step to determine the highest scoring respondent ranking.
- h. Procurement Services will post an Intent to Award Notice within approximately two weeks from finalist selection.

2.6 Evaluation Criteria

The responsive replies will be evaluated and ranked on a scale of 0-10 using the following criteria multiplied by the weights assigned. This meeting shall be open to the public via the zoom link provided on the cover page.

2.6.1 Proposal Evaluation Criteria Step 1. These criteria shall be used through the evaluation process as described subsequently:

Criteria No.	Step 1: Main Criteria Description	Weight
1.	Qualifications, Experience, Case Studies, and Letters of Reference	25%
2.	Demonstrated ability to meet or exceed Scope of Services and Responses to Questionnaire	45%
3.	Cost Proposal Phase 1: Workday Analysis	20%
4.	Cost Proposal Phase 2: Improvement Implementation Cost	10%
	TOTAL	100%

The total maximum number of weighted points that can be earned in the evaluation process is 100 points.

Cost Proposal for Price Analysis. Price Analysis is conducted through the comparison of Cost Proposals submitted. The maximum points will be awarded to the lowest acceptable Cost Proposal. Replies with higher costs will receive the fraction of the maximum points proportional to the ratio of the lowest Cost Proposal to the higher Cost Proposal. The fractional value of points to be assigned will be rounded to one decimal place. The criteria for price evaluation shall be based upon the following formula: (Low Price/Respondent's Price) x Price Points (30) = Respondent's Awarded Points)

2.6.2 Respondent Demonstration/Interview Criteria – Step 2 (Optional)

Criteria No.	Step 2: Main Criteria Description	Weight
1.	Substance and content of the presentation	40%
2.	Question and answers session including requested clarifications that demonstrate proposer's ability to meet or exceed RFP requirements	40%
3.	Additional value-added services and/or cost saving strategies	20%
	TOTAL	100%

2.7 Basis of Award

Recommended award shall be made to the highest ranked Contractor(s) whose response is determined in writing to be the most advantageous, bringing “best value” to meet the criteria of FLVS. FLVS reserves the right to make awards by individual item, group of items, all or none or a combination thereof; to reject any and/or all bids/proposals or to waive any minor irregularities or technicalities. All purchases are contingent upon FLVS funding. Following the selection and upon final negotiation of the contract terms and conditions with the top ranked Respondent, recommendation for contract award will be submitted to FLVS Board of Trustees (if total value is \$300,000 or more) or Procurement Director approval (if total value is under \$300,000).

The FLVS Executive Team at their sole discretion shall accept or reject all recommendations of the Evaluation Committee. If the Executive Team accepts the Evaluation Committee’s recommendation, the process continues as noted in each step above. If the Executive Team rejects any Evaluation Committee’s recommendation, the Executive Team at their sole discretion, shall proceed with any of the following methods: directing the Procurement Representative to recommence the selection ranking process at whatever state or step the Executive Team deems appropriate (including step 1, step 2, and/or step 3); pursuing the project by any other alternative method permitted under Florida law; or abandoning the project all together. If the Executive Team elects to pursue the project through an alternative method or abandon the project all together, FLVS shall provide public notice of that decision.

FLVS reserves the right to negotiate price and contract terms and conditions with the most qualified firm(s) to provide the requested service.

Services will be authorized to begin when the Contractor receives a fully executed contract and issuance of a Purchase Order from FLVS. Once awarded, Procurement will provide notice of the award to the Contractor

Once the analysis and assessment are complete, the awarded contractor shall develop a roadmap with input from FLVS key stakeholders to implement those improvements and enhancements. Phase two will implement the road map improvements identified in phase one, with which FLVS chose to move forward.

- Reduced data entry, enabling employees to focus on high-value activities
- Improved user experience
