Description: Write Score, LLC is a professional educational company that provides districts and schools with formative assessments, resulting data, and instructional resources for use with students. As a formative assessment platform, Write Score provides assessments and hand-scored data that align to State Standards within two weeks or less. Their all-inclusive ELA Programs offer a low cost, objective solution to having your teachers hand-score student open responses. Educators' instructional time in the classroom is most valuable. WriteScore writing and reading assessments are an effective way to prepare for state writing and reading assessments. When combined with the provided lesson plans, students show growth in all areas.

The description of products or services intended for purchase from a single/sole source is posted in accordance with Florida Administrative Rule 6A-1.012(12)(d) and will remain posted for a period of seven (7) business days. If you believe you have a "like" product or service to offer, submit descriptive literature and detailed technical specifications via mail or email to the attention of the buyer listed above no later than the Posting End Date/Time noted above. Descriptive literature and detailed technical specifications received after this date/time will not be considered.
