Description: : Achieve3000 is a supplemental online literacy program that provides nonfiction reading content to students in grades preK-12 and focuses on building phonemic awareness, phonics, fluency, reading comprehension, vocabulary, and writing skills. Empower all teachers in English language arts, science, and social studies to easily differentiate literacy and content-area instruction to give ever student the opportunity to get and stay on track for success after graduation. Literacy with Boost is an additional product that is designed to target the unique needs of diverse learners. Although teachers are able to utilize various scaffolding options in the standard product, Boost is an add-on purchase that’s tailored more specifically to student needs. Achieve 3000 Boost gives students access to scaffolded and intensive instruction around phonics, fluency, vocabulary, and comprehension in grades PreK through 12. Boost products provide a combination of differentiated instruction, effective learning scaffolds, and targeted instructional frameworks to accelerate reading gains for struggling readers and students in intervention or special education programs.

The description of products or services intended for purchase from a single/sole source is posted in accordance with Florida Administrative Rule 6A-1.012(12)(d) and will remain posted for a period of seven (7) business days. If you believe you have a “like” product or service to offer, submit descriptive literature and detailed technical specifications via mail or email to the attention of the buyer listed above no later than the Posting End Date/Time noted above. Descriptive literature and detailed technical specifications received after this date/time will not be considered.
